

5 User Stories

- 1. As a customer, I want to see all of the options at the top of the homepage for iPhone so that I can easily see all of the models offered without having to scroll through page after page.
- 2. As a customer, I want to be able to purchase a new carrier when I checkout for my iPhone so I can conveniently have a working sim already in place and not have to bring it in to the carrier to then get a plan
- 3. As a customer, I want a page where I can see the stats of all of the newest iPhones side by side so that I can easily compare and see which model is best for me.
- 4.As a customer, I want the option at check out to be able to pick up my new iPhone at an apple store near me so I can go pick up my phone same day

5. As a customer, I want to be able to clearly see all of the iPhone images so that I can quickly pick one based off of appearance and then decide of the stats match up to what I need and want
